DECLARATION BY THE CANDIDATE

The research work embodied in this thesis entitled, "Phytochemical Investigation and Pharmacological Evaluation of *Manilkara zapota* L.stem-bark Extracts for Skeletal muscle relaxant Activity" was carried out by me in the Department of Pharmacology of Nanded Pharmacy College, Nanded under the guidance of Dr. N.B Ghiware in the partial fulfillment of the requirement for the award of Degree of Master of Pharmacy in Pharmacology. The extent and source of information as has been obtained from other sources have been duly acknowledged in the thesis. The research work is original and has not been submitted in part or full for any Diploma or Degree of this or any other University/Institute.

I hereby further declare that the Nanded Pharmacy College, Nanded shall have the right to preserve, use and disseminate this dissertation in print or electronic format for academic/research purposes.

Summary of Field Visit to Kasturba Matru Seva Hospital

Date: 30th September 2023

Organized by: Kasturba Matru Seva Hospital

Purpose: Participation in a nutritional program for healthy women

Participants: Nanded Pharmacy College students led by Ms. S. A. Tekale and Ms. S. A. Farooqui

The visit to Kasturba Matru Seva Hospital highlighted the importance of healthy and balanced diets to women's healthcare and the importance of nutrition. The program included interactive discussions, demonstrations, and Q&A sessions with experts. Students learned practical approaches to nutrition, emphasizing its role in maintaining women's health. The event highlighted the value of collaboration between educational institutions and healthcare providers. Informative charts and models showcased critical information about nutrition. Students gained practical knowledge on women's healthcare and the role of nutrition in preventing deficiencies. The collaboration between healthcare providers and educational institutions enhanced community health education and awareness. It was an informative experience, reinforcing the connection between theoretical knowledge and practical application.
