Action Taken Report on Feedback Analysis

Feedback analysis	Parameters	Action taken
Student	Betterment of laboratory, library and other infrastructural facilities in college along with general discipline	Inspected and checked all requisite facilities in laboratories, library, and infrastructure. Communicated requirements to management for necessary improvements. Management initiated the construction of a new building with modern facilities for students. Continuous efforts are made to ensure the smooth functioning of all facilities and maintain discipline.
Teachers	The curriculum needs to be modified for different levels, with a focus on content and course reshuffling.	The suggestions were compiled and communicated to Board of Studies (BOS)
Employers	General facilities and infrastructure of the institute Effective teaching-learning methodologies	Improved general facilities by providing Wi-Fi connectivity, accessible washroom facilities for physically disabled individuals, and drinking water facilities on every floor. Adopted ICT-based teaching methodologies, including the installation of smart boards in classrooms to enhance the teaching-learning experience.
Alumni	Participation as a student in the various activities, Development activities organized by the College Involvement of alumni in development of students	Students were encouraged to actively participate in curricular, co-curricular, and extracurricular activities throughout their academic journey. Their involvement extended to various NSS activities, inter University research project competition named Aavishkar, participation in Poster competitions, Conferences, Seminars, and by organizing guest lectures to students. Alumni were encouraged to contribute to students' development by sharing knowledge and providing information about training and placement opportunities. Steps were taken to officially register the Alumni Association, and alumni have contributed by donating instruments and equipment to the college.
