Report on Alumni meet at Nanded Pharmacy College

Nanded Pharmacy College hosted its Alumni Meet on 20/10/2023 for bringing together alumni from various batches to reconnect, share experiences, and engage with current students and faculty. The event provided a platform for networking, knowledge exchange, and reinforcing the sense of community that defines the institution.

The event began with an inaugural session, where the Principal of Nanded Pharmacy College Dr. N B Ghiware welcomed the alumni, faculty, and current students. In his speech, he emphasized the importance of maintaining a strong alumni network and the role of alumni in contributing to the growth and development of the college. The session also included a brief overview of the college's progress over the past years.

Several distinguished alumni from various fields, including the pharmaceutical industry, academia, and healthcare, were invited to share their success stories. They spoke about how their time at Nanded Pharmacy College shaped their careers and how the skills and knowledge gained helped them in their professional lives. The alumni shared valuable insights on the changing trends in the pharmacy sector and the importance of continuous learning and innovation.

A dedicated session was held for current students to interact with alumni. The alumni shared their experiences about job opportunities, career advancements, and provided advice to students on how to prepare for the ever-evolving pharmaceutical industry. The session also featured discussions on recent trends in research, entrepreneurship, and opportunities for higher education.

An informal networking session allowed alumni and current students to interact in a relaxed environment. Alumni had the opportunity to meet with former classmates, while students could seek mentorship and guidance. This session helped strengthen bonds and created potential opportunities for collaborations, internships, and employment.

The event concluded with a vote of thanks from the Alumni Association President, Dr. S K Sarje. He thanked all the attendees for their participation and expressed gratitude to the faculty

Dear Sir,

Greetings of the day!

I hope this email finds you in good health and spirit. My name is Dr. Ashish Mohanrao Kanhed, student of Nanded Pharmacy College, Nanded (Batch 2004-2008).

Sir, I would like to take this opportunity to thank the "Shri Sharda Bhavan Education Society" for creating the quality education organizations in the Marathwada region. Having the quality educational organizations in the regional levels which are approachable by the learnments of nearby small towns is very commendable work, and I was one of the beneficiaries of this wonderful facility. I got admission in Nanded Pharmacy College for B.Pharmacy in 2004. I started learning different subjects of pharmacy year by year. All the faculties were equally involved in my growth and knowledge upgradation. Because of the clarity in all subjects at different levels of graduation I was able to qualify the GATE exam in my final year of graduation-2008, which was the dream of every student. This was the turning point of my professional career. Because of the knowledge base that was created at NPC, by contribution of all teaching and non-teaching faculties, I could successfully complete my M.Pharmacy and Ph.D in Pharmaceutical Sciences (Pharm Chemistry) from reputed and government organizations. The knowledge base created during graduation also gave me strength to achieve Post-Doctoral experience from foreign university.

There are countless value additions given by Nanded Pharmacy College to thousands of students like me. Once again I would like to thank all the faculties, non-teaching staff and institute mentors to bring us up professionally in the society. I also would like to thank all the current faculties and staff for continuing the same pace of growth in life of many students.

Here, I would like to contribute to the growth of MY organization by giving some reference books to the college. I am sending two copies of a book titled - "An Introduction to Medicinal Chemistry by Graham Patrick". This is a very interesting book and will give a direction to students willing to pursue a career in medicine research. I know that this is a very small contribution but, I am sure that this will add some value in the knowledge of students.

I also would like to extend my availability for delivering the expert talks for the current students in the field of Drug Discovery. Please find attached my CV (achievements), and all these I could achieve is because of the strong foundation created at NANDED PHARMACY COLLEGE.

Once again thanks to you sir for remembering us, and giving me this opportunity to serve the community.

Regards,

Dr. Ashish M. Kanhed
