Objectives: The primary aim of the committee is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

Strategies: Shall evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research program.
- Equitable access to and affordability of academic program for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and services.
- Research sharing and networking with other institutions.
