

Nanded Pharmacy College, Nanded

DVV Clarification

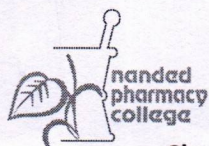

Criteria 1: Curricular Aspects

Deviation Metric No: 1.2.1

Number of Certificate/Value added courses offered and online courses of MOOCs, SWAYAM, NPTEL etc. (where the students of the institution have enrolled and successfully completed during the last five years)

Findings of DVV:

Provide Summary report of Training Program on Statistical Data Analysis using R Software Hands on training & Demonstrations of Modern Pharmaceutical Analytical Techniques Youth Entrepreneurship: The Mindset, The Business Model & Leadership Skills development Training in Care, Handling and Use of Laboratory Animals in Research along with duration and list of students enrolled

Summary Report of Add-On Programme –I (2018-19)

Name of Add-On Programme:	Training Program on Statistical Data Analysis using R Software
Name of Coordinator	Mr S K Sarje
Schedule of Activity	02-07-2018 To 30-10-2018 Friday, Saturday (02pm-05pm) & (03-05pm)*
Class	M Pharm-I, M Pharm-II
Duration	33 Hrs
Aim/Objective: Towards completion of this course the students should be able to understand Basics of different statistical technique sin Pharmaceutical Research, Different Software's implemented for different statistical technique, Structure & working of SPSS.	
Learning Outcomes: On successful completion of this course students will be expected to be able to; <ul style="list-style-type: none">● Understand Basics of different statistical technique sin Pharmaceutical Research.● Understand Different Software's implemented for different statistical technique● Understand Structure & working of MS-Excel	
Course Contents: <ul style="list-style-type: none">● Basics of different statistical technique sin Pharmaceutical Research● Structure & working of MS-Excel● Introduction to Different Software's implemented for different statistical technique● Structure & working of SPSS.
